**Kundalini Meditation** Kathryn McCusker, 2012-01-01 This book explains, in guided stages, how to awaken kundalini, the powerful life force present in us all, allowing you to experience insights and creativity through meditation as well as incredible levels of energy. First you must become aware of the energy channels running along the spinal cord - the nadis - and the chakras or energy centres which are strung along the nadis like jewels in a necklace. Next, by practising purification rituals, breathing exercises called pranayama, meditation, yoga poses and mudras (hand positions), you can ensure that kundalini is drawn up through the spine, opening each chakra in turn and causing it to 'bloom like a flower'. A special feature of the book is the guided meditations targeting common problems and issues - for example, releasing anger, lifting depression, promoting healing and inviting love into your life. This beautiful, inspiring yet practical book will bring you to a whole new level of awareness, inner peace and insight.

He is the discoverer and developer of Quantum Entrainment, the ground-breaking healing technique that thousands around the globe have successfully used to eliminate emotional and physical discord in themselves and others. Now, in Eufeling! Dr. Kinslow brings to bear that same easy style of coaching that was so successful in teaching you Quantum Entrainment. In Eufeling! Dr. Kinslow introduces the reader to the QE Intention, a unique and practical tool that anyone can use to improve emotional and physical disharmony, unsettled relationships and financial difficulties, and even influence environmental stresses. QE Intention shows you how a simple shift in your awareness will organize the creative forces of nature in your favor as easily as iron filings align in the presence of a strong magnet. QE Intention can quickly satisfy even your deepest desires. Once initiated, QE Intention is effortless and extraordinarily effective. It uses the creative energy and harmony of Eufeling as a spiritual launching pad to quickly accomplish material goals. If you are already doing intention work you will find that adding QE Intention to your practice will greatly accelerate the results you are already having. *Dana Keli Kaumudi (English)* Srila Rupa Goswami,2021-01-01 This (Dana Keli Kaumudi) is a divine play/drama, written by Srila Rupa Goswami, with commentaries of Srila Visvanath Cakravarti Thakur. In the Caitanya-caritamṛta (Antya 4.226) there is a verse that describes the writings of Srila Rupa Goswami: Srila Rupa Goswami compiled 100,000 verses, beginning with the book Dana-Keli-Kaumudi. In all these scriptures, he elaborately explained the transcendental mellows of the activities of Vrndavana. This one-act drama describes the very celebrated pastime of Kṛṣṇa’s efforts to extract a toll from Rādhā and her companions as they carried butter for the performance of a sacrifice being performed in the forest of Vrndavana. Of course, it cannot be emphasized enough that such pastimes are only to be relished by devotees who have thoroughly understood Lord Kṛṣṇa’s position as the Supreme Personality of Godhead by carefully studying the first nine cantos of the Srimad-Bhagavatam.”
