The Art of Money Management Janice Aldrow B. S.,2005-07 That's just one of the lessons in this spiritually based guidebook for managing your day-to-day finances. Based on real-life experiences and told in a short-story format, it provides wisdom to help you achieve financial goals. One of the stories you'll hear involves the author's son, Lyon, who wanted his own dog but knew he'd need to take care of it himself. While even his mother doubted whether he'd be up to the task, he secured a part-time job and developed the confidence he needed to make a big commitment. Whether you're a young adult starting to

manage your own money or someone older trying to fix bad habits, you'll learn how to establish realistic, long-term goals; create an emergency fund for tough times; choose a checking account that suits your needs; select the right insurance coverage; and much more. Stop letting money run your life, and save and spend it in a way that reflects your values, priorities and outlook on life with the lessons in *The Art of Money Management*.

**Georgia Boy** Erskine Caldwell, 2011-06-21 *Fourteen stories that follow a young boy coming of age in a dysfunctional family in the rural South* /div *Meet William Stoop, a young son of the South whose charming voice and mordant observations of family and culture make him one of American literature's most memorable narrators. In these fourteen interwoven stories, William details the high (and low) points of his family history, focusing particularly on his lazy, scheming father, Morris, his put-upon mother, Martha, and his confidante, Handsome Brown, a young black farmhand. As Morris matches wits with strangers and neighbors alike in constant pursuit of get-rich-quick plans, Martha tries to hold the family together without the aid of any discernable income.* /div *Told with the polish and moral resonance of fables, Georgia Boy captures the beauty and tragedy of life in the rural South during the twentieth century.* /div *This ebook features an illustrated biography of Erskine Caldwell including rare photos and never-before-seen documents courtesy of the Dartmouth College Library.* /div /div

**Conjure Wife** Fritz Leiber, 2023-03-17 *Tansy Saylor is the wife of an up-and-coming young sociology professor at a small, conservative American college. She is also a witch. Her husband, Norman, discovers this one day while rummaging through her dressing table: he finds vials of graveyard dirt, packets of hair and fingernail clippings from their acquaintances, and other evidence of her witchcraft. He confronts Tansy, and manages to convince her that her faith in magic is a result of superstition and neurosis. Tansy burns her charms; and Norman's luck immediately goes sour. He realizes that he had been protected, up till now, by Tansy's charms, and that as a result of his meddling, they are both now powerless to counteract the spells and charms of the other witches all around them.*

In fact, you just have to be fully yourself at your best.*
