Hacia la nueva creación Edgardo A. Colon-Emeric,2022-11-01 Este libro recorre los temas y desafíos fundamentales del pensamiento y la practica de la iglesia Metodista en el mundo. Explora cuestiones tales como las Reglas Generales de la iglesia Metodista, los sacramentos, el culto, la liturgia, los credos, su vocación misionera, y muchos aspectos mas que hacen al ser de la iglesia. El propósito de estas paginas es ayudar al lector a pensar su fe y sus consecuencias para la vida cotidiana. Muestran también como la herencia de Juan Wesley continua viva, y así como en la actualidad da fundamento a la fe de millones de personas, es a su vez semilla de aliento espiritual para el futuro de la iglesia.

Daily Reflections A a,Aa World Services Inc,2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily

Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Someone We Know Shari Lapena, 2020-05-12 AN INSTANT NEW YORK TIMES BESTSELLER! “Poised and chilling.” —Wall Street Journal “No-one does suburban paranoia like Shari Lapena—this slowly unfurling nightmare will have you biting your nails until the end.” —Ruth Ware Another thrilling domestic suspense novel from the New York Times bestselling author of *The Couple Next Door* and *Not a Happy Family* Maybe you don't know your neighbors as well as you thought you did . . . This is a very difficult letter to write. I hope you will not hate us too much. . . My son broke into your home recently while you were out. In a quiet, leafy suburb in upstate New York, a teenager has been sneaking into houses--and into the owners' computers as well--learning their secrets, and maybe sharing some of them, too. Who is he, and what might he have uncovered? After two anonymous letters are received, whispers start to circulate, and suspicion mounts. And when a woman down the street is found murdered, the tension reaches the breaking point. Who killed her? Who knows more than they're telling? And how far will all these very nice people go to protect their own secrets? In this neighborhood, it's not just the husbands and wives who play games. Here, everyone in the family has something to hide . . . You never really know what people are capable of.

Someone Knows Lisa Scottoline, 2019-04-09 Bestselling and award-winning author Lisa Scottoline reaches new heights with this riveting novel about how a single decision can undo a family, how our past can derail our present, and how not guilty doesn't always mean innocent. Allie Garvey is heading home to the funeral of a childhood friend. Allie is not only grief-stricken, she's full of dread. Because going home means seeing the other two people with whom she shares an unbearable secret. Twenty years earlier, a horrific incident shattered the lives of five teenagers, including Allie. Drinking and partying in the woods, they played a dangerous prank that went tragically wrong, turning deadly. The teenagers kept what happened a secret, believing that getting caught would be the worst thing that could happen. But time has taught Allie otherwise. Not getting caught was far worse. Allie has been haunted for two decades by what she and the others did, and by the fact that she never told a soul. The dark secret has eaten away at her, distancing her from everyone she loves, including her husband. Because she wasn't punished by the law, Allie has punished herself, and it's a life sentence. Now, Allie stands on the precipice of losing everything. She's ready for a reckoning, determined to learn how the prank went so horribly wrong. She digs to unearth the truth, but reaches a shocking conclusion that she never saw coming--and neither will the reader. A deeply emotional examination of family, marriage, and the true nature of justice, *Someone Knows* is Lisa Scottoline's most powerful

novel to date. Startling, page-turning, and with an ending that's impossible to forget, this is a tour de force by a beloved author at the top of her game.

Journey Into Narnia Kathryn Ann Lindskoog,1998 Renowned C. S. Lewis scholar Kathryn Lindskoog has here expanded and updated her classic study of Lewis's Narnia series originally titled, *The Lion of Judah in Never-Never Land: The Theology of C.S. Lewis Expressed in his fantasies for Children*. Now with the addition of a study guide, including a look at the chronological order of the series of the seven books, the *Journey into Narnia* is filled with abundant and fresh new

background information that not only puts the series in its context but explains many of the English terms unfamiliar to the American reader. Ms. Lindskoog provides many Biblical parallels which illumine the plot. These concise insights and applications are designed for personal reading pleasure as well as being practical helpers for teachers, parents and ministers. When C. S. Lewis read the first draft of this manuscript, he commented, You are in the center of the target everywhere. For one thing, you know my work better than anyone else I've met; certainly better than I do myself.... You (alone of the critics I've met) realize the connection or even the unity of all the books-scholarly, fantastic, theological-and make me appear a single author, not a man who impersonates half a dozen authors, which is what I seem to most. This wins really very high marks indeed. This important text of Lewis scholarship has been copied, widely used but never surpassed.
